Priority of Education	√	
Diverse Certifications	√	
Diagnose Complex Malfunctions	√	
Protect clients from potential Hazards	√	
Proper Reports for litigation, Real Estate transactions	√	

Sooty's has significantly invested in education - achieving certifications in all three areas of the fireplace industry. In addition, we are properly licensed to perform repairs, installations, and restorations. Sooty's is dedicated to protect life and property by thoroughly inspecting each and every fireplace to give our clients peace of mind. Providing the appropriate product or procedure is our specialty.

*Work over \$500.00 requires the proper and active California contractor's license
